If you have any questions, please contact the Florida Municipal Pension Trust Fund (FMPTF) by calling toll free 1-800-342-8112 or by emailing us at fmptf@flcities.com.

Distributions from your 457(b) plan are prohibited, except in the case of retirement or separation from service. An exception to this rule applies in the event a participant has an immediate and heavy financial need (“hardship”). For purposes of this Plan, a safe harbor hardship distribution on an account of one or more of the following immediate and heavy financial needs:

- 1) A sudden and unexpected illness or accident of the Participant, the Beneficiary, or the Participant’s or Beneficiary’s spouse or dependent.
- 2) Loss of the Participant’s or Beneficiary’s property due to casualty.
- 3) Similar extraordinary and unforeseeable circumstances arising from events beyond the Participant’s or Beneficiary’s control.

By taking an unforeseeable emergency withdrawal from the Plan, you agree to suspend all employee contributions to the plan for six months after receipt of the distribution.

If a severe financial hardship does exist, a distribution will be allowed only if the following requirements are met:

- 1) The Plan Administrator will not pay the Participant or Beneficiary more than the amount reasonably necessary to satisfy the emergency need, which may include amounts necessary to pay taxes or penalties on the distribution.
- 2) The Plan Administrator will not make payment to the extent the Participant or Beneficiary may relieve the financial hardship by cessation of deferrals under the Plan, through insurance or other reimbursement, or by liquidation of the individual’s assets to the extent such liquidation would not cause severe financial hardship.
- 3) Distributions from your account will be subject to current Federal and applicable State Income Taxation.
