Tune in to Channel 27 for County News, Meetings, & Recreation information.
During the course of a year, many local businesses and organizations assist the Recreation Department with sponsorships and in-kind services. Without the generosity of our community, the Recreation Department’s services would be greatly limited. On behalf of our youth and adult participants, we thank you.

The IRC Recreation Department

we encourage...

... and welcome everyone to participate in the programs made available by the Recreation Department. We make every effort to accommodate special needs within the framework of the activities. Financial assistance is available. All programs and activities listed in this brochure are open to all residents of Indian River County, regardless of location. For the convenience of our patrons, a specially designed wheelchair is available for use at the Gifford Aquatic Center and a specially designed chair lift is available for use at the North County Aquatic Center. For more information, call the Recreation Department at (772) 226-1732.

THANK YOU TO...
THE INDIAN RIVER COUNTY SCHOOL DISTRICT
FOR YOUR HELP!!

Mile Swim Club

Lap swimming is now more exciting! All ages are welcome to join our Mile Swim Club. Get started by setting a personal goal, whether you want to swim 5 miles or 500. Sign up all year long by visiting our aquatics desk. Annual membership $5.00, valid January-December. Then, simply track the number of laps you swim across the pool and record your mileage on the Club clipboard located outside the aquatics office. Leave the rest to us, as we track your mileage for you. It’s that easy!

Benefits:
- Year-round Mileage Tracking
- All participants will receive a yearly certificate indicating the total miles swam.
- All participants will receive an exclusive monthly newsletter including club standings, swim tips and workouts.
- Exclusive club events, including the end of the year potluck and recognition ceremony.
- Official Club Certificate (indicating annual swim distance).
- Swimmers who swim 100 miles at North County and Gifford Aquatic Centers, within the year, will receive an exclusive 100 Mile Swim Club T-shirt.

Sign up today and just keep swimming!

The Learn to Swim program is designed to teach infants, children, teens, and adults to swim in a fun, positive, and safe environment. Our team of experienced instructors are passionate about providing instruction emphasizing aquatic skills to enhance comfort around water, stroke proficiency, and water safety in a logical progression. Lessons are offered as private (year-round) or in a group of 3-6 participants (summer).

**Baby and Me Classes (6 months to 2 years)**
Caregivers and children learn together to increase a child’s comfort level in the water and build a foundation of basic skills, such as arm and leg movements and breath control. The two levels are fun-filled and help introduce water safety concepts.

**Pre-School Lessons (3-5 years)**
Throughout the three levels, preschool-age children are taught basic aquatic safety and survival skills. They are encouraged to gain greater independence and increase their comfort level in and around the water. Skills are age-appropriate, helping children achieve success.

**Learn to Swim (Ages 6 & up)**
Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers develop their water safety, survival, and swim skills.

Below are descriptions of what the participant should be able to do before enrolling in each level.

**Level 1 - Introductory:** May have little or no exposure to swimming and/or lessons. Participant needs no prior experience.

**Level 2 - Fundamental:** Comfortable in the water, can glide on their front with face in the water and roll to their back and float.

**Level 3 - Stroke Development:** Push off and swim using combined arm and leg actions for five body lengths, roll to back and float, then roll to front and swim an additional five body lengths.

**Level 4 - Stroke Improvement:** Are able to swim front stroke for 15 yards, roll to back and swim elementary backstroke an additional 15 yards.

**Level 5 - Stroke Refinement:** Are able to swim all four swim strokes 15-25 yards each.

**Level 6 - Swimming and Skill Proficiency:** Are able to swim all strokes, approximately for 25-50 yards using formal turns and switching body position.

**Adult Lessons (Ages 18 & up)**
Lessons available from beginners to competitors. Learn how to swim or receive valuable instruction on how to improve your strokes, turns, or breathing.

Inclement weather conditions at the North County Aquatic Center and the Gifford Aquatic Center may result in the temporary closing of the pool at Management’s discretion. This policy is in place for the safety and well being of swimmers and the facility. In the event of an electrical storm, patrons will be notified by the Thorguard lightning prediction system. The system will sound one loud air horn for 15 seconds when a storm is approaching. Patrons will be required to leave the facility immediately. The system will sound three, 5 second air horn blasts when the area is clear of the electrical storm and it is safe to resume activities. We will issue pool passes to patrons who have been at the facility less than two hours if the facility is closed for weather conditions. Patrons must have a receipt to receive a pool pass.

YOUTH ATHLETICS

For more information . . .
On coaching, sponsoring a team, officiating, or to inquire about recreation programs, please call (772) 226-1732.

Remember, volunteer coaches and team sponsors are essential for the success of all youth recreation programs.

An Invitation . . .
We want to invite you to West Wabasso Park on 64th Avenue & 89th Place.
Look for our special events and programs such as baseball, basketball, football, softball, and tee ball. Volunteers and sponsors are needed.
Our children are our future - Please invest in our future!
For more information, call Eugene Douglas at (772) 226-1732

Volunteers Make a Difference
The Recreation Staff would like to extend their heart-felt thanks to all volunteers who contribute to our mission “prevention and intervention through recreation.” The dedication of these individual talents along with the many, many volunteer hours, affords the Recreation Department the opportunity to serve numerous children.
The annual amount of Adult Volunteer hours totals nearly 20,000. This equals an approximate dollar value of $139,000. Our children and our community benefit from our volunteers selfless dedication of time, effort, and energy. Call 772-226-1732 for more information or to sign up.

We thank you. We applaud you. We need you.

A birth certificate is required for all youth registration.
