

Public Open House to Highlight Changes to Flood Risk and Introduce Proposed New Flood Hazard Maps

If you live or do business in the following areas, your flood risk may have changed:

- Unincorporated Areas of Indian River County
- City of Fellsmere
- Town of Indian River Shores
- Town of Orchid
- City of Sebastian
- City of Vero Beach

Learn about your risk of flooding, what the new flood hazard maps mean to you, and steps you can take to protect yourself from the extensive damage that floods often cause.

Public Open House Schedule

Wednesday, March 21, 2018

4:00PM – 7:00 PM EST

Sebastian River Senior High School

Cafeteria

9001 Shark Boulevard

Sebastian, FL 32958

Community officials and representatives of the Federal Emergency Management Agency, Florida Division of Emergency Management, and the FEMA Engineering Study Contractor will be on hand to answer your questions.

Please contact Roland DeBlois at 772-226-1258 or David Hays at 772-226-1596 to learn more.
