RE: All Aboard Florida – Indian River County Board of County Commissioners meeting

Dear Secretary Prasad,

On June 9, 2014, Governor Rick Scott issued a letter stating that you had been tasked “with meeting community leaders and area legislators on All Aboard Florida to listen to their concerns. . .”

As chairman of the Indian River County Board of County Commissioners, I greatly appreciate the Governor’s offer. Therefore, on behalf of the Indian River County Board of County Commissioners, I would like to invite you to attend a workshop in Indian River County with the Board. We would suggest sometime during the first week of July, but of course we will be happy to work around your schedule.

The All Aboard Florida issue is one of great importance to our community. Given the pending release of the draft EIS and the number of transportation related issues and questions that have been raised in the County we believe that a meeting is essential.

Thank you very much for your willingness to meet with local leaders. I look forward to coordinating a day and time that works for you to visit Indian River County.

Sincerely yours,

A handwritten signature in blue ink that reads "Peter D. O'Bryan".

Peter D. O'Bryan, Chairman
Indian River County Board of Commissioners
