Re: All Aboard Florida Intercity Passenger Rail Project Draft Environmental Impact Statement and Section 4(f) Evaluation

Date: September 19, 2014

Enclosed is the Draft Environmental Impact Statement and Section 4(f) Evaluation (DEIS) for the *All Aboard Florida Intercity Passenger Rail Project* for public review and comment, in accordance with the National Environmental Policy Act (NEPA). This document responds to all of the Federal Railroad Administration (FRA) requirements for preparation of an Environmental Impact Statement under NEPA. The DEIS is also available for review on the FRA’s internet site (www.fra.dot.gov) and at libraries in the study corridor.

Comments can be submitted by mail to John Winkle (Mr. John Winkle, Federal Railroad Administration, 1200 New Jersey Avenue, SE Room W38-311, Washington, DC 20590) or by email to AAF_comments@vhb.com. Comments must be submitted in writing by December 3, 2014 in order to be considered.

The FRA will hold eight Public Information Meetings on the DEIS. The meetings will consist of informational stations where the public will have an opportunity to ask questions and discuss the DEIS with FRA and project staff, and a station to provide comments on the DEIS.
