1. Add: Update on Fire Stations

Emergency Services Director John King updated the Board on the status of the Fire Stations and stated that on Wednesday, April 8, 2015, the County received notice to move forward with mold remediation and the renovation process with the Fire Stations. He continued that Contract Services started the repairs at Fire Station 11, located at Wabasso Beach on Thursday, April 9, 2015, and the repairs were expected to be completed within three to four weeks. He added, once Fire Station 11 was completed, Contract Services would begin repairs at Fire Station 10.

Director King recalled Fire Station 1, located at Old Dixie Highway, has an approximately \$1 million renovation project scheduled. As part of the process to move forward with the renovations, two commercial modular units were ordered with the first modular to be placed at Fire Station 1. He said some of the staff from Fire Station 1 would be temporarily moved to Fire Stations 2 and 3, leaving a crew of five remaining at Fire Station 1.

Director King indicated the second commercial modular was for Fire Station 7 and staff was actively looking for property to place it on.

ADJOURNMENT
