Re: Indian River County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Director Stone,

This is to confirm that we have completed a State review of the Indian River County Local Mitigation Strategy (LMS) update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201.6(b)-(d). Based on our review and comments, Indian River County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Indian River County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Indian River County
City of Sebastian
City of Vero Beach
Town of Fellsmere
Town of Orchid
Town of Indian River Shores

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Indian River County LMS.

If you have any questions regarding this matter, please contact your LMS Liaison Kristin Buckingham at Kristin.Buckingham@em.myflorida.com or 850-815-4519.

Respectfully,

A handwritten signature in blue ink, appearing to read "Miles E. Anderson".

Miles E. Anderson,
Bureau Chief, Mitigation
State Hazard Mitigation Officer

MEA/kb
