Update to the Cellular Device & Stipend Policy

Included with the newsletter is an update to the Cellular Device & Stipend Policy. It reflects updated language regarding retention of public records and compliance and the addition of software to archive those records.

Phase 3 - Employee Update & Guidance Regarding Travel & COVID

Emailed previously and included with this newsletter is COVID update information and "Phase 3" information. Please take the time to educate yourself.

Success is unlocked with the keys of kindness and being nice!

Andy Sobczak, Chief Planner, received a letter from a client. The client simply wanted to recognize Daphne Driskell, Code Enforcement Officer, for being kind and nice while conducting business. Andy thought it noteworthy "because being 'kind' and 'nice' are exceptional qualities for an employee to be recognized for, especially one in a difficult field like code enforcement!" Great job Daphne!!

The Florida Retirement System (FRS) is offering free financial planning workshops. Employees must register separately for each workshop they wish to attend. Employees will receive details for logging in and participating a few days prior to the workshop. Upcoming workshops will be on Monday, October 5 and Tuesday, October 6, and will be on the following topics:

October 5	Using the FRS to Plan for Retirement	10:00 a.m. to Noon
October 5	Protecting Yourself and Your Loved Ones	1:00 to 3:00 p.m.
October 6	Nearing Retirement in the FRS	10:00 a.m. to Noon
October 6	Understanding the FRS Investment Plan	1:00 to 3:00 p.m.
ALL TIMES ARE ET		

FRS Workshop
