Subject: Public Meeting  
North County Phase 2 Water and Sewer Project

Dear Roseland Community Member,

The County recently completed installation of water and sewer main lines within the Roseland Community and will soon allow residents to connect to the public water and sewer systems. In order to prepare residents for what to expect on the private-side connections, the County will be hosting a public meeting at North County Library on December 8, 2022 @ 6:30PM. This location is at 1001 Sebastian Boulevard Sebastian, FL 32958.

The meeting will focus on the following topics:

- 1) What to expect during construction
- 2) Timeframe
- 3) How to apply for service
- 4) Installation process and reimbursement procedures

The County has a frequently asked questions page as well as information in regard to private-side connections at <https://www.ircgov.com/utilities/S2S/>. If you have any questions, please contact Robert Tobar at 772-226-1801 or by email at [rtobar@ircgov.com](mailto:rtobar@ircgov.com).

We encourage residents to attend the meeting in order to help you understand the next steps related to providing individual homeowners with utility services. We hope to see you there.

Sincerely,  
**Indian River County Department of Utility Services**
